DETAILED ACTION

Acknowledgements

1. This office action is in response to the reply filed on 7/13/2006.
2. In the reply the Applicant cancelled claims 1-12 and added new claims 14-18 that depend upon original independent claim 13. Original claim 13 was previously indicated as allowable. No new matter was added.

Allowable Subject Matter

3. Claims 13-18 are allowed.
4. The following is an examiner's statement of reasons for allowance:
5. The subject matter not found was a method of inserting an unfilled breast implant having a fill tube extending therefrom into an open incision including the structure recited in the method comprising an injector device having a hollow cylinder with an elongated slot extending from the injection end towards the filling end and an unfilled breast implant that fits within the hollow cylinder with a fill tube extending from the interior of the hollow cylinder through the elongated slot in combination and wherein when the plunger is pushed through the cylinder the breast implant moves through the injection end into the incision while the fill tube moves along the elongated slot toward the injection end with the other elements, or steps, in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew M. Gilbert whose telephone number is (571) 272-7216. The examiner can normally be reached on 8:30 am to 5:00 pm Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kevin Sirmons can be reached on (571)272-4965. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
